ARTISAN HOME TOUR®

BUILDER & REMODELER

PREVIEW

HOME BUILT BY HENDEL HOMES. PHOTOGRAPH BY JIM KRUGER, LANDMARK PHOTOGRAPHY.

It's our fourth annual tour, and every one of the Artisan Homes you'll be able to see is a true work of art. Beginning with amazing designs that cater to a family's every whim, these elegant residences showcase the region's fine craftsmanship down to the smallest detail. And of course, every home will feature all the latest trends, products, finishes and colors that will make your imagination soar.

See the participating Artisan Builders and Remodelers on the following pages with a photo of one of their previous homes. ➤➤

HOME TOUR
BY PARADE OF HOMES®

June 9-11, 16-18, 23-25, 2017
ArtisanHomeTour.org

Tickets and information about the amazing builders, remodelers and their Artisan Homes will be available online at ArtisanHomeTour.org soon. Benefitting the BATC Foundation.

“Pillar Homes’ perfection! We use a holistic process of design and architecture to create one-of-a-kind homes for each of our clients.”

- 20+ years of experience (est. 1995) creating hundreds of homes and thousands of creative designs — perfectly individualized for every single homeowner
- Design Center for creative decision-making using our “Pillar Perfect” system for design and product selections
- Crafted by top artisans working to achieve exquisite finish detail and timeless design

PILLAR HOMES PARTNER, INC.

KC Chermak

“We understand that the experience of building a home is as important as the end product. We’re trusted by our clients to deliver on our promises.”

- A family business, building handcrafted custom homes for four generations
- Attention to detail, a passion for homebuilding, and a product that is a true expression of the owners
- Custom home innovators that combine honest craftsmanship, time-tested processes and innovative technologies

STONEWOOD, LLC

Sven Gustafson

“We provide a unique blend of modern style and our signature stamp of sustainability which inspires our clients to create a breathtaking dream home.”

- Creating homes for tomorrow with an enduring commitment to green features and energy efficiency
- Clients are attracted to our thoughtful “Minnesota Modern” designs and our focus on sustainability
- We bring a unique touch of whimsy and a remarkable attention to detail to each project

SUSTAINABLE 9 DESIGN + BUILD
